

## Declaration for visitors Coronavirus risk assessment

**Please complete and submit immediately.**

Dear Guest,

in order to protect its staff and maintain the services of its operational units, DFS Deutsche Flugsicherung GmbH has decided to implement numerous preventive measures with a view to containing coronavirus (SARS-CoV-2). DFS has chosen to limit access to its units and will therefore only grant access to persons who have completed the following declaration truthfully and then signed it.

I hereby confirm that

<ul style="list-style-type: none"> <li>I have been fully vaccinated against or recovered from CoVid19 (<b>2G regulation</b>).</li> </ul> <p>I have submitted proof of this.</p>	<input type="checkbox"/> Confirmed
<ul style="list-style-type: none"> <li>I have not been in a virus variant area (according to publications of the Robert Koch Institute) in the past 14 days. This period may not be shortened even if a current negative coronatest is presented</li> </ul>	<input type="checkbox"/> Confirmed
<ul style="list-style-type: none"> <li>I have <b>not knowingly had any contact</b> with any persons who have been found to be infected with coronavirus (SARS-CoV-2) within the last 14 days.</li> </ul>	<input type="checkbox"/> Confirmed
<ul style="list-style-type: none"> <li>I <b>have no signs, symptoms or suspicions</b> of being infected with coronavirus myself.</li> </ul>	<input type="checkbox"/> Confirmed

Unless all items are confirmed, entry to the premises is **strictly not** allowed.

Exceptions for individual cases must be approved by the local DFS facility manager and/or the management of the Corona Core Team.

General hygiene rules to protect against viral infection must continue to be observed on DFS property.

DFS must be informed immediately of any changes that have occurred while on DFS premises.
